

## Things to do

1. There are 3 lakes on different levels with loads of birds to look at
2. There is a well equipped playground with a massive climbing net and slide tunnel.
3. There is a huge lawn near the playground. Its great for playing frisbee, football or catch.
4. There are over 100 species of beautiful trees and shrubs to look at in the park.
5. Follow the tree trail- Find the posts to identify 25 trees in the park.
6. International Mini Golf!!
